# Editor's Page 2009

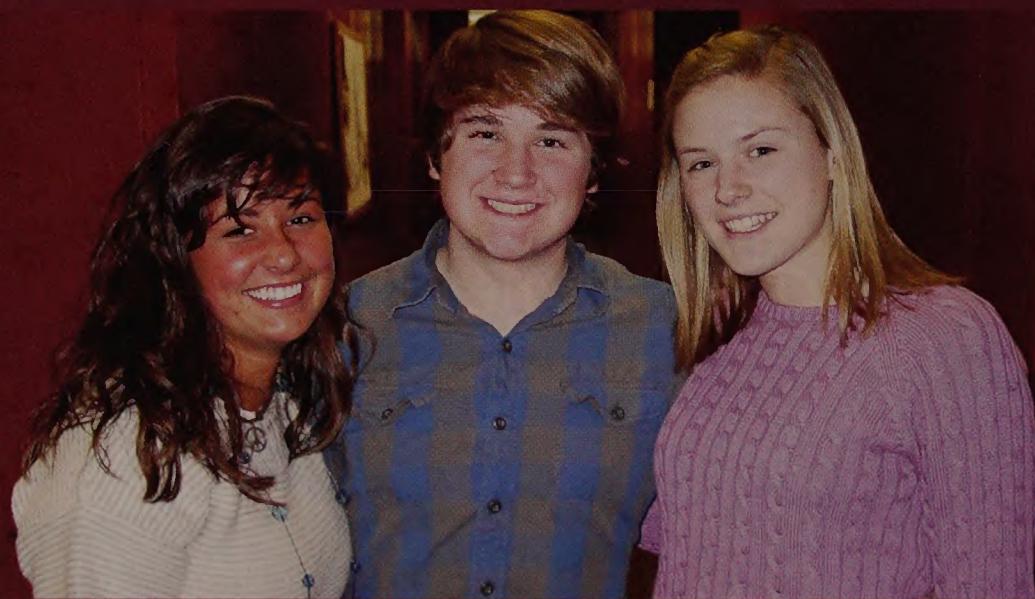

It's finally done, the 2009 yearbook. After all the hours spent, classes missed, and sporadic meetings, our hard work and dedication has paid off at last! We all know that Case High is changing, and an amazing yearbook is one thing we wanted to stay the same.

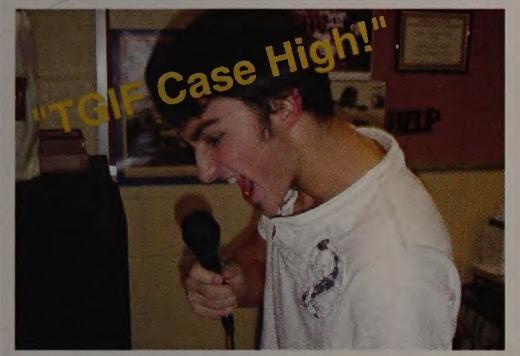

All of this would not have been possible without the commitment of the yearbook staff. In particular we would like to thank Taryn Sylvia and Kristen Robillard for their countless hours of work, and Lindsey Farya for his photo shopping skills. Along with the staff we would like to thank Chestnut Hill for supplying us with the greater part of our pictures and Christina Garnett from Jostens, who was very effective in helping us set up our yearbook. Lastly, Mr. Coulombe, our yearbook advisor, for all his time and enthusiasm and always keeping us on track. This would not have been possible without him.

Along with thanking these people, we would lastly like to thank the Class of 2009. Without all of you these memories would not have been captured and this yearbook would have been impossible to create. You may not be pleased with your senior connection or how your hair looks in a picture, but just remember, that every picture in this yearbook is one more memory for you to always keep with you. We hope you enjoy this yearbook and remember your four years at Joseph Case High School.

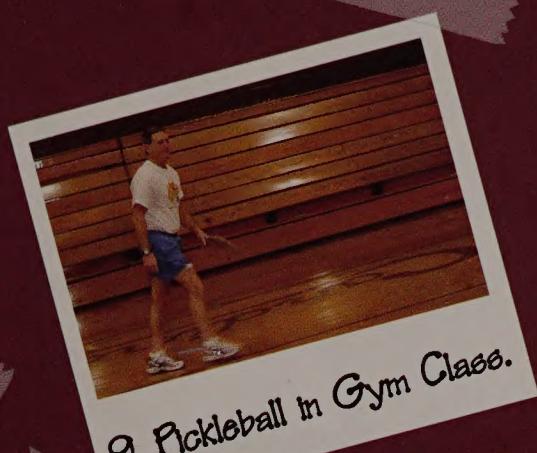

Editors of 2009

# Dedication

## Mr. Paul Cote

Every year the Joseph Case High School Senior Class is faced with the difficult task of selecting a teacher, staff member, or faculty member that they would like to dedicate their yearbook to. Over the years this has been increasingly difficult because of the amount of great teachers and staff members that have retired and that have contributed to this school and community in a tremendous way. This year the Class of 2009 would like to dedicate their yearbook to Mr. Paul Cote.

Mr. Cote has been a lifelong Cardinal, dating back to his own high school days. Growing up in Swansea, Mr. Cote went through the school system as a student with many people he worked with. This list includes his cousin Mr. David Paquette, Mr. Russ Noble, Mr. Bob Eddy, Mr. Larry Paulhus, and Mr. Larry Abbruzzi, just to name a few. Shortly after graduating from Joseph Case High School, Mr. Cote enlisted in the military and served his country in Vietnam in the Airborne Division as a medic. Later, Mr. Cote attended the University of Massachusetts, at Amherst, graduating with a degree in Anthropology.

Since then, Mr. Cote has been working at the high school since its opening in 1975. Throughout his career he has been in the Social Studies Department, where he has taught World History, American History I, American History II, and Advanced Placement American History. At one point in his career Mr. Cote also taught Psychology. Outside of the classroom, Mr. Cote has also remained active and busy over the years helping students to grow and mature. He has coached track and has continued to be the girls tennis coach over the years and will finish out his last year with the team this year. Mr. Cote has been no stranger to many athletic events over the years as well. He has spent endless hours going to various sporting events and supporting our athletic teams. Additionally, Mr. Cote has also been responsible for helping to organize Martin House and Student Government day. Over the years Mr. Cote has also been the Social Studies Department Head, and has been responsible for setting up many fieldtrips to Plymouth Plantation and the John F. Kennedy Library.

Mr. Cote has contributed to Joseph Case High School in a tremendous way over the years. He has been looked up to by many and will surely be a continuing part of the Case High School community for the years to come. So, on behalf of the Class of 2009, we would like to thank Mr. Cote for his years of service, and wish him and his family the best of luck in their years to come. He will greatly be missed by all and we are forever grateful for everything he has done. Thank you again!

# In Appreciation

## Mrs. DaSilva

The Class of 2009 would like to thank Mrs. DaSilva for her years of hard work and dedication to the Swansea School System. She is a Portuguese, Spanish, and French teacher that has been here for 32 years. As all of her students would agree, her motherly instinct is clear; she cares about each student, their progress, and development. She has had some students in her Portuguese classes for 3 consecutive years who have become very close to her.

Along with her contributions to the classroom, she has also contributed to Case through numerous extra curricular activites. She has helped plan proms, homecomings and fashion shows, as well as chaperoned them. The Iberian, Mediterranean and French clubs have depended on her endless support, orginization, and great ideas and knowledge.

Mrs. DaSilva will be deeply missed by her students and faculty. Fellow Spanish teacher Mr. DaRosa has known Mrs. DaSilva for years and attended graduate school with her. He considers her a "best friend as well as a colleague". He says Case "won't be the same without her;" and the rest of the school agrees.

## Ms. Sullivan

Only once and a while do you get a teacher that is as dedicated to their profession as Ms. Sullivan. After having to take an extended period of time off during the school year, Ms. Sullivan has returned to Joseph Case High School. Ms. Sullivan has been in the Swansea School System since 1984. She began her career teaching at Case Junior High School. She then came to the high school where she has taught General Biology, Human Anatomy and Physiology, and Applied Biology and Chemistry. In addition to her contributions in the classroom, Ms. Sullivan has been an avid supporter of Case Athletics. Over the years there haven't been many games where Ms. Sullivan wasn't at. She has continued to help by volunteering, chaperoning, and supporting.

In addition to all that she has done in the classroom and school, Ms. Sullivan has also spent time volunteering at a veterinary hospital. She loves animals and at times has had many animals which were dependent on her care. Ms. Sullivan has made such a positive mark on this school. Throughout her career Ms. Sullivan has had a tremendous impact on all of her students. She continues to develop strong and positive relationships with all of her students and loves them just as much as they love her.

The Joseph High School community welcomes Ms. Sullivan back and we wish her all the best in the future. She is a great teacher, mentor and friend. She is kind and generous women and we as a school community should be grateful for her services.

"It is good to have an end to journey toward; but it is the journey that matters in the end."

Erin, Olivia, Julie and Anna.

Over the past four years we have had quite the journey. From freshman to the JV team, and your Senior year you never stopped growing and as people. As your coach, I am proud to be apart of the Cascadia High School community. Your dedication to athletics and school has set a positive example for future Casc athletes. I hope your future journeys are successful and remember "it is the journey that matters in the end." I wish you the best of luck and you will always have a home at Casc.

Coach: Oliver

Undesay,

Remembering when you circled around the gym as a little girl. It has been a pleasure watching you grow over the years. You have broken records and made memories at Casc in the past few years.

Congratulations and Good Luck!

Coach: Laura Murphy

### To The Members of the Class of 2009:

The Commencement ceremony on the first Sunday of June 2009 will make it official; you will graduate from Joseph Case High School and begin a new, exciting phase of your life. The new goals that you will meet and exceed in your future have been anticipated by both your family and the staff at Case and have become part of your upbringing and preparation.

Your first 13 years of education have been a group effort involving you and a support system of home and school. As you pursue your goals this support system will change and, over time, become smaller. A significant part of your academic programs and extra-curricular activities look to and prepare you for these changes.

The future you will face will be both exciting and challenging. Seldom has our nation and community faced such opportunities and challenges as you, your classmates and generation will be tasked with finding the long-term solutions that will shape your lives.

The Swansea School Administration, Staff, and School Committee congratulate you on this important achievement and wish you the best as you pursue your future. I add my personal well wishes and congratulations to all the graduates as I end my tenure of thirty-two years with the Swansea Schools.

Sincerely,  
Stephan C. Flanagan, Class of 1966, Joseph Case High School  
Superintendent of Swansea Schools

My most sincere congratulations to the graduates of the Joseph Case High School Class of 2009. How quickly has four years flown by! The Case High community has been privileged to bear witness to your spiritual and academic maturation. You are indeed ready to face any challenge that you could face.

The Class of 2009 will be fondly remembered as a group of young adults who recognize the necessity of balancing work and play. Remember not to confuse the difference of a serious job and taking yourself too seriously.

Have the courage to be positive in years to come, and turn around life's challenges into gifts. The philosopher Buddha believed that All that we are is a result of what we have thought. Believe in yourself and your potential, the rest will follow.

We believe in our students at Joseph Case High School. Here's to your fortune in years to come,

Brian McCann  
Principal

Congratulations on your graduation from Joseph Case High School. This is an accomplishment you should be very proud of, as you have earned the title of high school graduate, a title no one can ever take away.

I hope you have enjoyed your years at Joseph Case High School and I am confident that the lessons and memories will be with you to some degree throughout your life. It is interesting to look back and reflect upon the changes that have taken place in four years. You have gone from children to young adults in that short time span.

As you enter the next phase of your life, I encourage you to do and see as much as possible. Most of you have lived a good portion of your life in the cozy confines of Swansea. Many of you will take the path that I took, to leave for a while on a voyage of discovery, some will return as I did, some will settle elsewhere. It is the exploration portion of the journey that is most important. See and do as much as possible so that you are aware of the endless opportunities that the world has to offer.

I challenge you to continue to grow, learn and explore throughout your post-high school life. Many happy endings started with a dream and the desire to make that dream come true. As Mark Twain once wrote, twenty years from now you will be more disappointed by the things you didn't do than by the ones you did. So throw off the bowlines, sail away from the safe harbor. Catch the trade winds in your sails. Explore. Dream. Discover. Good luck in all your future endeavors.

Bob Silveira  
Assistant Principal

### To The Class of 2009,

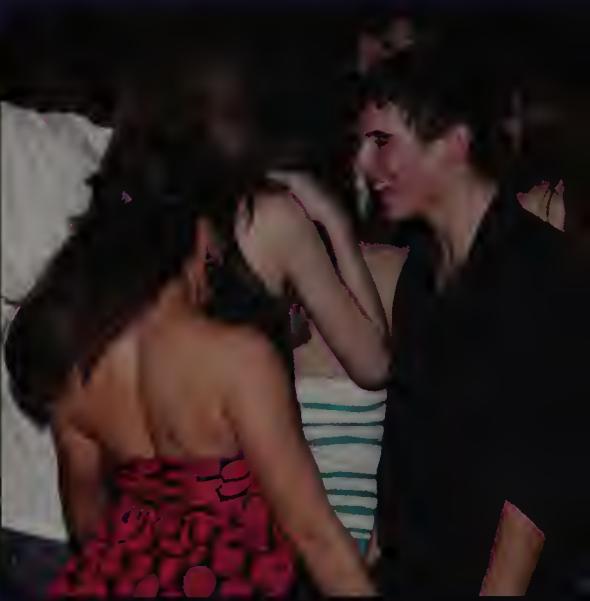

This graduating class has stepped up to the challenge. World conflicts. Sky-rocketing college costs. Gasoline prices close to \$5 per gallon last summer. Could high school life have any more distractions? We are living in exciting (and turbulent) times. As I write this I don't know if I should be envious of your future or thankful my own high school years were mundane by comparison.

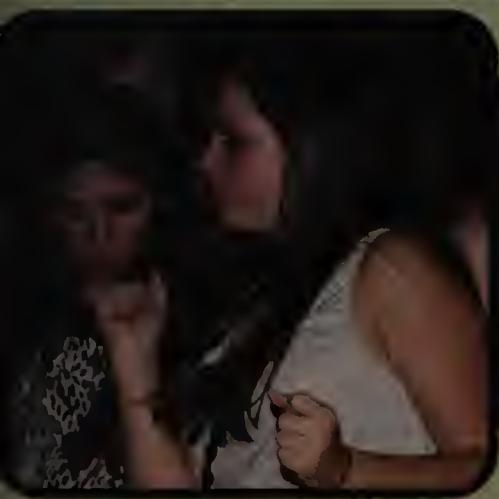

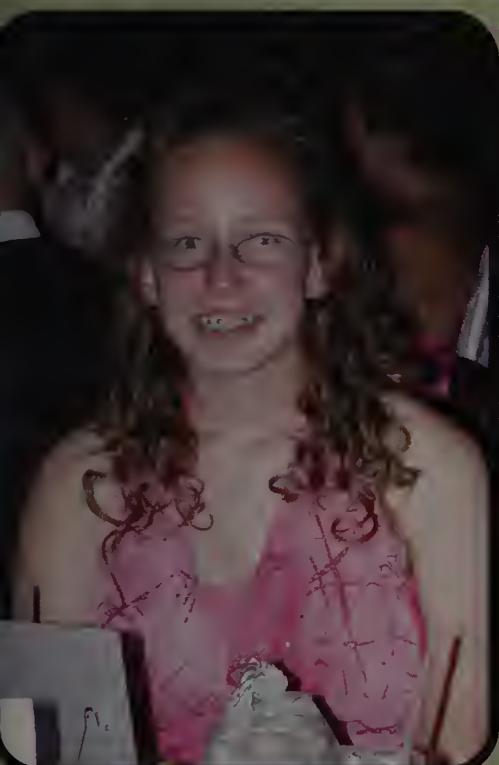

There is so much in life that is beyond your control. Don't spend time worrying. Take responsibility for your actions and make your family proud. I encourage you to create a legacy by staying active in the community. You have a wealth of talents to offer Swansea.

Make safe decisions and stay in touch.

Sincerely,  
Karen Ragland  
Assistant Principal / Administrative Dean

"My will shall shape the future.  
Whether I fail or succeed shall  
be no man's doing but my own.

I am the force; I can clear any obstacle  
before me or can be lost in the maze.  
My choice; my responsibility; win or lose,  
only I hold the key to my destiny."

Elaine Maxwell
